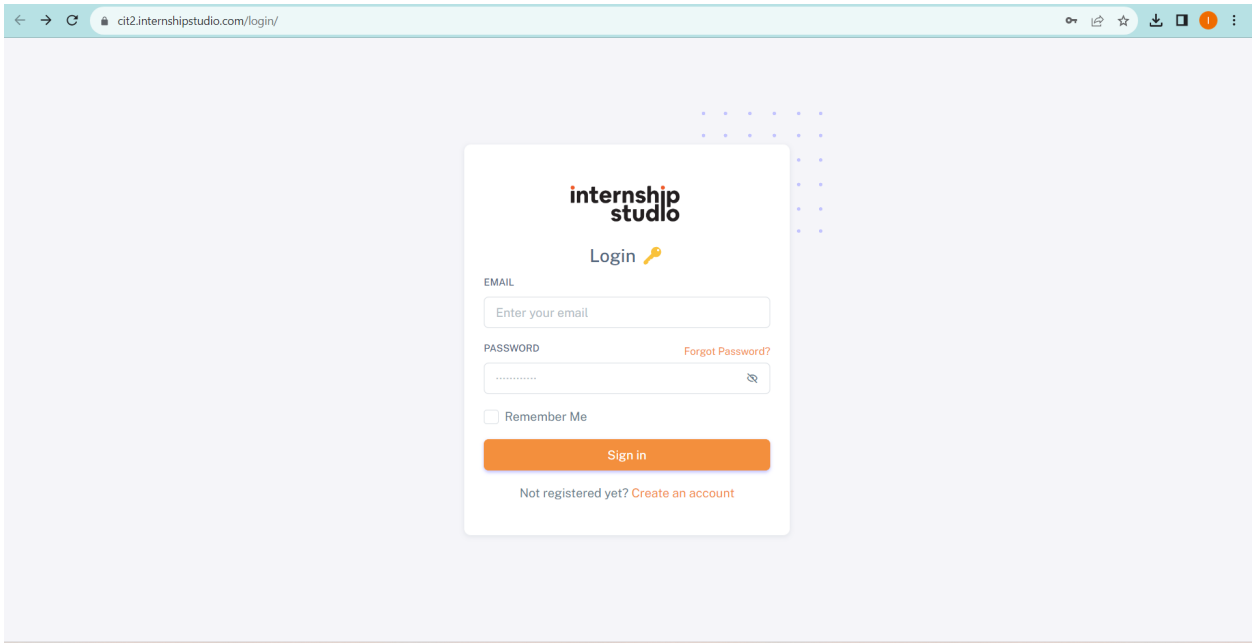
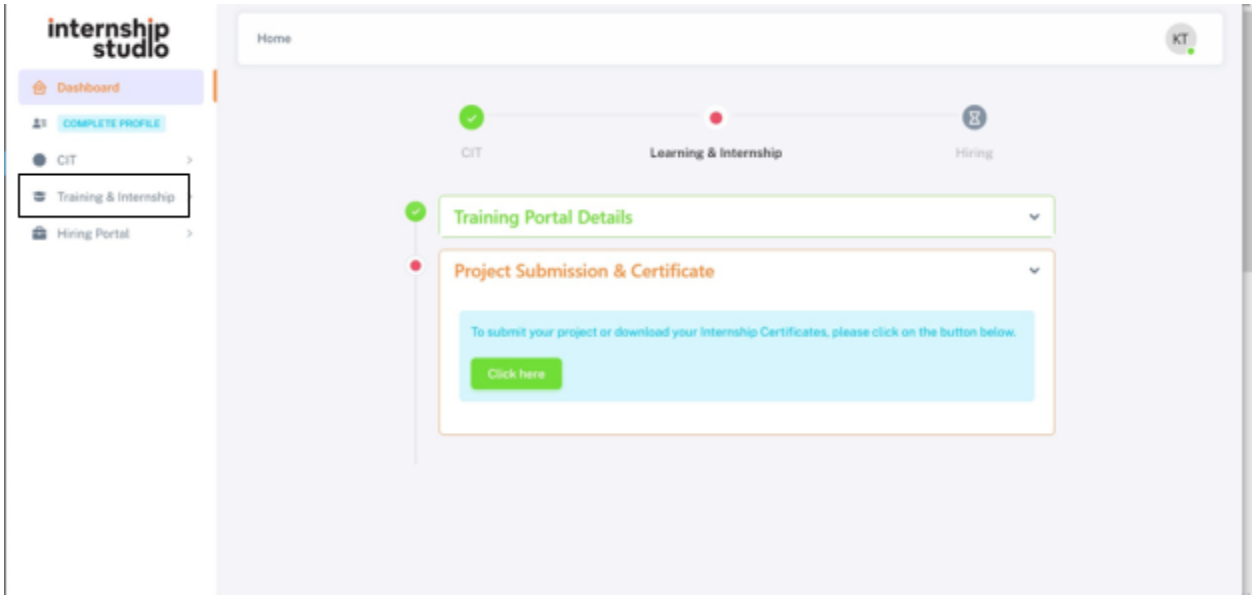
Step by Step Guide on How to Submit the Internship Project

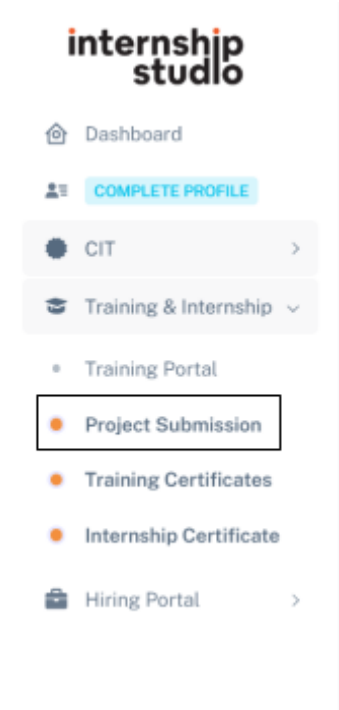
Step 1: Once your training is complete login to your CIT Dashboard using the below link
https://dashboard.internshipstudio.com/login/



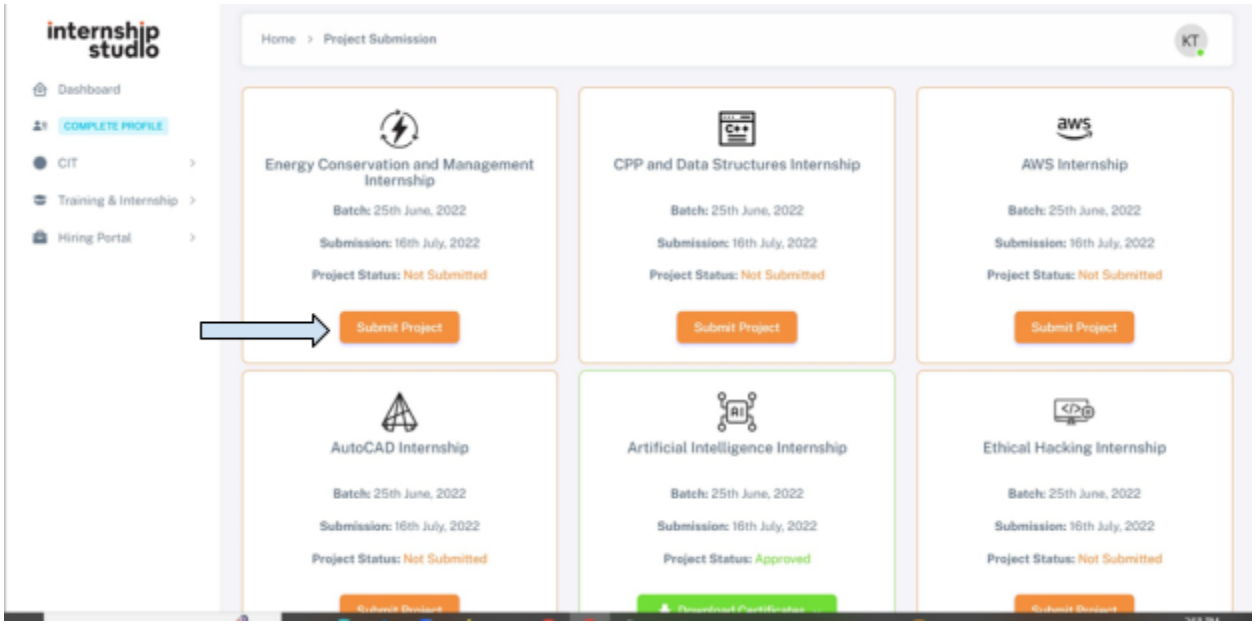
Step 2: Your homepage/ dashboard will appear. On the left hand side panel, Click on training and internship



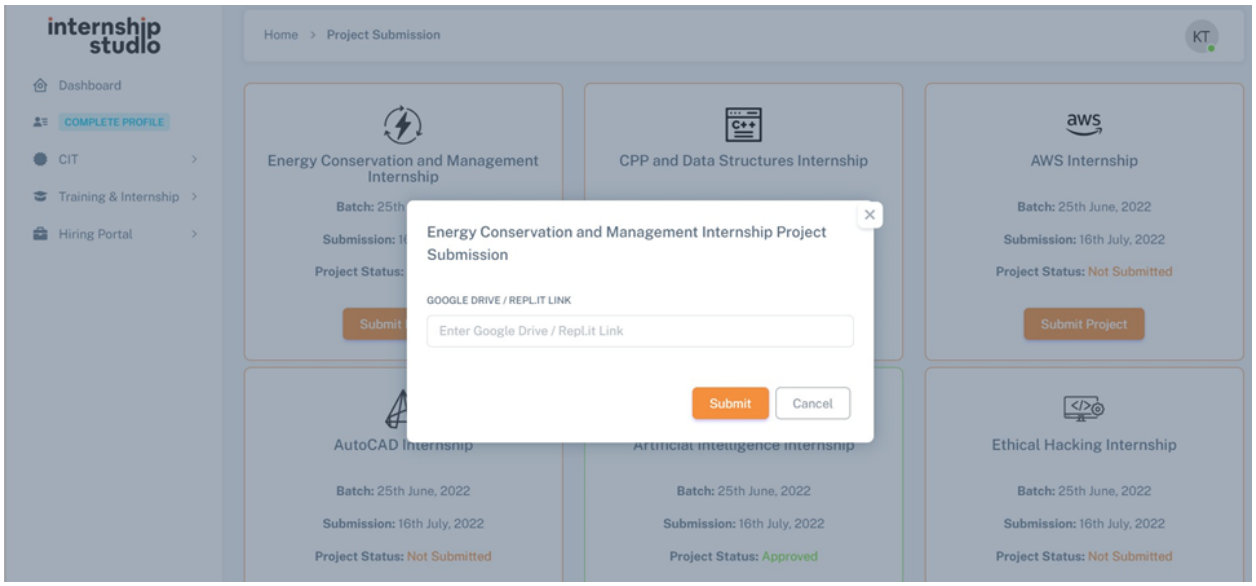
Step 3: Select Project Submission



Step 4: Once you click on the button your registered internships will be shown. Click on submit project for your completed internship



Step 5: Add your project drive link. You have two options - Google drive link or a Replit link. After pasting the link, click on submit.



Your project has been successfully submitted.
